RETURN MERCHANDISE AUTHORIZATION

Return Address:

Returns Department
150 Corporate Drive
Montgomeryville PA 18936

RMA Number: JJV926465

Date:1/16/2014

Please make sure RMA number above is clearly written on the return label and this form is included with the return. With this form, physically writing the RMA number on the box is not necessary

All returned items must have a valid RMA number to be processed for credit/exchange. Please note, products (including packaging) must be returned in new, resalable condition. Any returns received without an RMA or in used/installed condition will be declined and the shipper must pay the return freight fees.

Please check all merchandise for damage or defect when you receive your order, and **before** the item is used or installed.

When shipping an item back to us, we recommend using a shipping method that offers signature confirmation, tracking, and insurance, as we are not responsible for lost or damaged packages.
